

RED ROSE SUPER SENIORS

2026 PRE- SEASON GET-TOGETHER For the:-

Keith Gardner Trophy

Stand Golf Club - Thursday 16 April 2026

LSS Match Report:

The traditional Red Rose Super Seniors Pre-season opener was blessed with a dry and sunny day. Stand Golf Club starting to look at its best. The impressive event trophy engraved for last year's winners (Ian Clarke & John Howard) was ready to be presented to new Champions! (Thanks Ian)

An impressive 32 members had entered for the day. This helped create a friendly and sporting atmosphere over morning coffee/tea and rolls as members old and new met up once again for a new season. The scene was set for friendly competitive golf.

The course, as usual, proved a good test. The winners, Mel Morton and Steve Smalley taking the day with an impressive 43pts. Runners -up Mike Tonge and Jeff Clements 40pts (CPO).

RRSS Captain – Allan Harrison, congratulated the winners and thanked Stand GC for the fixture and hospitality. He welcomed the new RR members and wished them well for the forthcoming season. He updated the members on the administrative work that had been undertaken by the working party, close season. This had centred around seeking to improve communication and rationalise the fixture list to manageable proportions. He explained the background to the change of name to Red Rose. He welcomed the new members and encouraged them to utilise the RR web-site and What's Apt group. RRSS very much look forward to continuing the annual event once again next year.

* Special thanks to Mal Morton who generously donated his winner's prize to Stand GC Juniors Section (A big thank you Mal from Stand GC)
